

## **YEAR END PROMOTIONAL SALES 10% DISCOUNT**

ON ALL MCC DAQ PRODUCTS ([Cliquer ici pour le français](#))

A good business opportunity if you use MCC DAQ products from Measurement Computing Corporation (MCC).

End of the year inventory promotional sale on all MCC products, including Data Translation products.

An additional discount of 10% on top of your regular reductions, on any MCC product order placed with Techmatron the month of November 2023.

**Don't wait! This promotion ends November 30, 2023**

Details:

Techmatron will be placing with MCCDAQ (Measurement Computing Corporation) [www.mccdaq.com](http://www.mccdaq.com)

one single order with the manufacturer, regrouping all orders placed by our customers for MCCDAQ products during the month of November, with delivery before year end. This order will be placed with the manufacturer at the end of November.

For this special inventory clearance order, MCCDAQ offered a 10% discount and Techmatron is passing on this additional discount to the customer.
